

Insubordination, Delinquencing my thirst at Art,  
Anti theifereye, Talm Band ETS, Nonsense!  
Food blends different when you b-leave yourself  
It's  
TEIM,  
beyond time,  
Timeless I'm-mental to do what is I'm-mental.  
Mental is an abstraction for how stimulating a distraction  
is. We are all O'fartien.

F Awareness Apple & Zooms through infinite dreams.

Tropics & Creative endeavor or  
uncertain mystery of local America  
Economy. Seeing the outside world & carrying my  
cross lightly. I ~~want~~ play my way from varying levels  
of "limited freedom" to Absolute Freedom.

Sometimes I notice this feeling in me self, this  
indication to have some coverage & apply my talents  
to the wall.

Less like a graffiti artist, more  
musically inclined like R&B Art, I  
bare myself naked to the world to ease  
my stone & share my farts.

My non-ideal but loved-alot  
individual I enjoy the expression of  
is Matthew Cate.
